ZENTANGLE: Carol Graham is a life-long arts and craft enthusiast, and proud to be Winnipeg's first Certified Zentangle Teacher (CZT)

Zentangle® Rocks!

The Facebook group "Winnipeg Rocks" has grown by leaps and bounds this summer.

Come join the fun, learn what it's all about and tangle on some rocks to "keep or hide".

NOTE: Your Micron's are too delicate for tangling on rocks - so you'll need sturdier markers. My very favourite marker for pretty much anything non-paper is Sakura's dual-tipped IdentiPen, and Marilyn will have some black ones available for purchase. Sharpies or similar markers could work as well.

(Some Zentangle experience is recommended, but not required)

There will be NO Class Fee, just the cost of that month's stamp set, which will be selected by Cindy and me. You will receive a kit to make 3 cards with instructions using the monthly stamp set. The club atmosphere will offer you a chance to share what you've been creating and may offer ideas to take your stamping one step further.
